Box 430, Mattawa, ON POH 1V0

Dear Mr. Steer,

Congratulations to the Canadian Ecology Centre on ten successful years of operation. I have had the opportunity to visit the CEC and I know that the types of environmental programs CEC offers are exactly the type of initiative I have encouraged in my many annual reports to the Ontario Legislature and in my talks with the people of Ontario. As Environmental Commissioner I have seen first-hand the need for a sound environmental education which combines environmental science with a practical hands-on experience for our young people.

I wish you every success in the future.

Sincerely,

A handwritten signature in blue ink, appearing to read "G. Miller".
